APPLICATION FOR EMPLOYMENT

Dear Applicant:

Wheatsfield Co-op is a consumer-owned retail grocery store. Our objectives are simple and straightforward: We are here to give the best service to our customers, sell the highest quality food, and maintain the highest levels of cleanliness. Everything we do is an effort to improve our service and quality. Every employee of the Co-op is expected to uphold these standards.

Working at the Co-op involves commitment and energy, both essential elements of providing good service. The Co-op is not a worker collective; it supports a management structure similar to many traditionally run businesses. Our retail environment is often fast paced, and personally and professionally demanding. Employees begin with a three month probationary period during which their abilities to contribute to the goals of the Co-op are evaluated by their managers. Training continues throughout the length of employment: Employees are expected to learn new tasks, increase their product knowledge, and improve their customer service. If you are a person who is willing to support our structure and to make such a commitment, then please continue.

Wheatsfield Co-op is an equal opportunity employer and does not discriminate on the basis of race, color, religion, national origin, sex, age, sexual orientation, or non-job related handicap or medical condition.
